PRODUCTION

Classification: Wine from the European Union

Region: Blend of wine coming from France (Languedoc Roussillon and Ardeche) for about 80%, and from Spain (Mancha) for about 20%

Grape Varieties: Grenache, Carignan, Cinsault (from France), Tempranillo, Moravia, Grenache (from Spain)

Soil: Marls, schist, chalk and clay

Climate: Mediterranean, very windy with high temperatures and exceptional sun

Vinification: De-stalked grapes – Controlled alcoholic fermentation with daily pumping over – malolactic fermentation - fining and bottling

Viticulture: Hand tending, careful selection and minimal interference in the natural ripening of the grapes.

TASTE

Appearance: Cherry red and brilliant, good intensity.

Nose: Aromatic and pleasant with red fruit aromas (blackberry and raspberry)

Palate: Medium bodied and well-balanced wine, with round tannins and jammy, ripe fruit aromas at the end of the palate.

PRACTICAL

Food Matches: As an aperitif, red meat, soft cheese – Best between 14°C and 16°C.

Wine list comments: Easy drinking wine, round and pleasant. Enjoyable anytime, anywhere!
